What is eCollege?

eCollege is a SOLAS-funded online training facility that provides a range of high quality interactive online learning courses, available any time through broadband Internet access, for those who wish to learn at their own pace. eCollege courses are available free of charge to FET staff members within DES/SOLAS-funded, QQI registered providers. FET staff members can also access free assessment and certification connected to these courses. One must be registered with eCollege in order to access online courses. Details on how to do this are included later in this document.

What other courses are available through eCollege?

A list of the online courses currently available is on www.ecollege.ie and includes those courses listed on page 2 of this document.
